| <i>Preface</i> .....         | <i>vii</i> |
| <i>Acknowledgement</i> ..... | <i>ix</i>  |

## **Part I: Pioneers of Basic Medical Sciences**

|                                                               |    |
|---------------------------------------------------------------|----|
| 1. Pioneers of Human Anatomy .....                            | 2  |
| 2. Pioneers of Human Physiology .....                         | 5  |
| 3. Pioneers of Anatomical Pathology .....                     | 8  |
| 4. Pioneers of Clinical Pathology .....                       | 12 |
| 5. Pioneers of Medical Microbiology .....                     | 14 |
| 6. Pioneers of Medical Virology .....                         | 17 |
| 7. Pioneers of Medical Biochemistry .....                     | 19 |
| 8. Pioneers of Medical Pharmacology .....                     | 22 |
| 9. Pioneers of Forensic Medicine and Forensic Pathology ..... | 25 |
| 10. Pioneers of Social and Preventive Medicine .....          | 28 |
| 11. Pioneers of Public Health and Hygiene .....               | 32 |
| 12. Pioneers of Otolaryngology and Rhinology .....            | 33 |
| 13. Pioneers of Laryngology and Speech Pathology .....        | 35 |
| 14. Pioneers of Ophthalmology .....                           | 37 |
| 15. Pioneers of Paediatrics .....                             | 41 |
| 16. Pioneers of Neonatology .....                             | 43 |
| 17. Pioneers of Obstetrics and Gynaecology .....              | 45 |
| 18. Pioneers of General Surgery .....                         | 48 |
| 19. Pioneers of Internal Medicine .....                       | 51 |

## **Part II: Pioneers of Medical Specialities**

|                                              |    |
|----------------------------------------------|----|
| 1. Pioneers of Dermatology .....             | 53 |
| 2. Pioneers of Venerology .....              | 55 |
| 3. Pioneers of Psychiatry .....              | 57 |
| 4. Pioneers of Anaesthesia .....             | 60 |
| 5. Pioneers of Intensive Care Medicine ..... | 63 |
| 6. Pioneers of Pulmonology .....             | 64 |
| 7. Pioneers of Radiology .....               | 65 |
| 8. Pioneers of Cardiology .....              | 67 |
| 9. Pioneers of Neurology .....               | 70 |

|                                             |    |
|---------------------------------------------|----|
| 10. Pioneers of Endocrinology.....          | 73 |
| 11. Pioneers of Diabetology.....            | 75 |
| 12. Pioneers of Nephrology .....            | 77 |
| 13. Pioneers of Urology and Andrology ..... | 79 |
| 14. Pioneers of Rheumatology .....          | 81 |
| 15. Pioneers of Immunology.....             | 83 |
| 16. Pioneers of Vaccinology.....            | 85 |
| 17. Pioneers of Oncology.....               | 88 |
| 18. Pioneers of Hepatology.....             | 90 |
| 19. Pioneers of Radiotherapy.....           | 91 |

### **Part III: Pioneers of Surgical Specialities**

|                                                            |     |
|------------------------------------------------------------|-----|
| 1. Pioneers of Orthopaedics .....                          | 93  |
| 2. Pioneers of Plastic and Reconstructive Surgery .....    | 95  |
| 3. Pioneers of Oral and Maxillofacial Surgery .....        | 97  |
| 4. Pioneers of Craniofacial and Orthognathic Surgery ..... | 98  |
| 5. Pioneers of Paediatric and Foetal Surgery .....         | 99  |
| 6. Pioneers of Surgical Oncology .....                     | 101 |
| 7. Pioneers of Endocrine Sur gery .....                    | 103 |
| 8. Pioneers of Tissue and Organ Transplantation.....       | 104 |
| 9. Pioneers of Cardiac Surgery .....                       | 107 |
| 10. Pioneers of Cardio Thoracic Surgery.....               | 110 |
| 11. Pioneers of Minimally Invasive Surgery .....           | 113 |
| 12. Pioneers of Paediatric and Foetal Surgery .....        | 115 |
| 13. Pioneers of Medical Robotics and Robotic Surgery ..... | 117 |
| 14. Pioneers of Trauma Surgery.....                        | 118 |
| 15. Pioneers of Vascular Surgery .....                     | 119 |
| 16. Pioneers of Colo-Rectal Surgery.....                   | 120 |
| 17. Pioneers of Hand Surgery .....                         | 121 |
| 18. Pioneers of Sex-Reassignment Surgery .....             | 122 |
| 19. Pioneers of Surgical Oncology .....                    | 123 |

### **Part IV: Pioneers of Miscellaneous Medical Sciences**

|                                         |     |
|-----------------------------------------|-----|
| 1. Pioneers of Addiction Medicine ..... | 126 |
| 2. Pioneers of Allergy Medicine.....    | 127 |
| 3. Pioneers of Altitude Medicine.....   | 128 |

---

|                                                                       |     |
|-----------------------------------------------------------------------|-----|
| 4. Pioneers of Ancient Medicine .....                                 | 129 |
| 5. Pioneers of Aviation Medicine .....                                | 131 |
| 6. Pioneers of Disaster Medicine.....                                 | 132 |
| 7. Pioneers of Diving and Hyperbaric Medicine.....                    | 133 |
| 8. Pioneers of Domestic Medicine .....                                | 135 |
| 9. Pioneers of Emergency Medicine.....                                | 136 |
| 10. Pioneers of Evidence Based Medicine .....                         | 138 |
| 11. Pioneers of Evolutionary Medicine.....                            | 140 |
| 12. Pioneers of Expedition Medicine .....                             | 141 |
| 13. Pioneers of Family Medicine .....                                 | 142 |
| 14. Pioneers of Geriatric Medicine .....                              | 143 |
| 15. Pioneers of Graphic Medicine.....                                 | 145 |
| 16. Pioneers of Hospice and Palliative Care Medicine .....            | 146 |
| 17. Pioneers of Humanitarian Medicine.....                            | 148 |
| 18. Pioneers of Medical Toxicology .....                              | 149 |
| 19. Pioneers of Battlefield Surgery and Military Medicine.....        | 150 |
| 20. Pioneers of Molecular Medicine .....                              | 152 |
| 21. Pioneers of Narrative Medicine.....                               | 153 |
| 22. Pioneers of Nuclear Medicine .....                                | 154 |
| 23. Pioneers of Nutritional Medicine .....                            | 155 |
| 24. Pioneers of Occupational and Environmental Medicine.....          | 157 |
| 25. Pioneers of Pain Medicine.....                                    | 159 |
| 26. Pioneers of Physical and Rehabilitation Medicine (Physiatry)..... | 160 |
| 27. Pioneers of Placebo Research .....                                | 161 |
| 28. Pioneers of Podiatric Medicine .....                              | 162 |
| 29. Pioneers of Regenerative Medicine.....                            | 163 |
| 30. Pioneers of Reproductive Medicine .....                           | 165 |
| 31. Pioneers of Sexual Medicine.....                                  | 167 |
| 32. Pioneers of Sleep Medicine.....                                   | 169 |
| 33. Pioneers of Sports Medicine and Exercise Medicine.....            | 170 |
| 34. Pioneers of Transfusion Medicine and Blood Banking.....           | 172 |
| 35. Pioneers of Travellers Medicine (Emporiatrics) .....              | 174 |
| 36. Pioneers of Tropical Medicine .....                               | 175 |
| 37. Pioneers of Wilderness Medicine and Adventure Medicine .....      | 178 |

---

## **Part V: Pioneers of Interdisciplinary Medical Sciences**

|                                                               |     |
|---------------------------------------------------------------|-----|
| 1. Pioneers of Medical Anthropology .....                     | 180 |
| 2. Pioneers of Medical Biology .....                          | 181 |
| 3. Pioneers of Medical Education .....                        | 183 |
| 4. Pioneers of Medical Ethics .....                           | 184 |
| 5. Pioneers of Medical Genetics .....                         | 186 |
| 6. Pioneers of Medical Geography .....                        | 189 |
| 7. History of Medicine .....                                  | 190 |
| 8. Pioneers of Medical and Health Humanities .....            | 192 |
| 9. Pioneers of Medical Illustration .....                     | 193 |
| 10. Pioneers of Medical Microscopy .....                      | 194 |
| 11. Pioneers of Medical Physics and Medical Engineering ..... | 195 |
| 12. Pioneers of Medical Psychology .....                      | 197 |
| 13. Pioneers of Medical Sociology .....                       | 199 |
| 14. Pioneers of Medical Statistics .....                      | 200 |
| 15. Pioneers of Paleopathology .....                          | 202 |

## **Part VI: Indian Pioneers**

|                                      |     |
|--------------------------------------|-----|
| 1. Pioneers of Indian Pioneers ..... | 204 |
|--------------------------------------|-----|

## **Part VII: Pioneers of Health-Related Branches**

|                                                               |     |
|---------------------------------------------------------------|-----|
| 1. Pioneers of Health Care System and Health Insurance .....  | 216 |
| 2. Pioneers of Health Education .....                         | 217 |
| 3. Pioneers of Health Informatics (Medical Informatics) ..... | 218 |
| 4. Pioneers of Health Promotion .....                         | 220 |
| 5. Pioneers of Nosology .....                                 | 221 |

## **Part VIII: Pioneers of Dental and Oral Medicine**

|                                      |     |
|--------------------------------------|-----|
| 1. Pioneers of Dental Medicine ..... | 223 |
| 2. Pioneers of Oral Medicine .....   | 226 |

## **Part IX: Pioneers of Nursing Science**

|                                      |     |
|--------------------------------------|-----|
| 1. Pioneers of Nursing Science ..... | 228 |
|--------------------------------------|-----|

## **Part X: Alternative Medicine**

|                                              |     |
|----------------------------------------------|-----|
| 1. Pioneers of Homeopathic Medicine .....    | 231 |
| 2. Pioneers of Orthomolecular Medicine ..... | 232 |

## Part XI: Appendices

|                                                                       |     |
|-----------------------------------------------------------------------|-----|
| 1. Disabled Doctors who Inspired the World.....                       | 234 |
| 2. Forgotten Pioneers .....                                           | 238 |
| 3. Founders of Famous Medical Associations and Medical Journals ..... | 240 |
| 4. Pioneer Medical Authors.....                                       | 242 |
| 5. Landmark Inventions .....                                          | 246 |
| 6. Pioneering Doctors who Overcame Poverty.....                       | 250 |
| 7. Woman Pioneers .....                                               | 253 |
