Prefacexi

Acknowledgement xiii

Section A

1. Anatomy 1

- Overview of the Human Body and Knowledge of Human Organ Systems..... 1
- Basic Knowledge of Anatomical Structures and Parts.....3
- Importance of Dissection in Anatomy Education5

Answer Key with Explanation 10

2. Laboratory Safety15

- Safe Handling of Laboratory Equipment and Tools.....15
- Knowledge of Proper Disposal of Biological Waste and Hazardous Materials ...20
- Use of PPE24
- Emergency Procedures and First Aid29

Answer Key with Explanation33

3. Dissection Techniques39

- Identification of Basic Dissection Tools and Instruments39
- Dissection and Sectioning of Different Anatomical Specimens.....42
- Embalming Techniques43
- Composition of Embalming45
- Organ Handling and Preparation.....47
- Basic Bone Retrieval Techniques50

Answer Key with Explanation53

4. Maintenance of Dissection Hall.....60

- Cleaning and Sanitisation of Dissection Equipment60
- Cadaver Storage Tanks64
- Clean and Safe Dissection Environment.....69
- Ethical and Legal Considerations in Dissection.....72
- Record Keeping and Documentation of Dissection Activities75

Answer Key with Explanation77

5. Infections Control	85
• Infection Control Protocols and Procedures	85
• Basic Disinfection and Sterilisation Techniques.....	89
<i>Answer Key with Explanation</i>	<i>93</i>
6. Autopsy and Viscera	97
• Autopsy	97
• Viscera Specimens: Preservation and Dispatch.....	99
<i>Answer Key with Explanation</i>	<i>102</i>
7. Dead Body Management.....	105
<i>Answer Key with Explanation</i>	<i>108</i>
8. Image Based Questions	110
<i>Answer Key with Explanation</i>	<i>120</i>
Section B	
9. General Intelligence and Reasoning.....	123
<i>Answer Key with Explanation</i>	<i>129</i>
10. Quantitative Aptitude.....	134
<i>Answer Key with Explanation</i>	<i>141</i>
11. Computer Knowledge Questions	148
<i>Answer Key with Explanation.....</i>	<i>158</i>
» Mock Test Paper	163
• Section A	163
• Section B	170
<i>Answer Key with Explanation.....</i>	<i>172</i>
