

Microbiology and Biochemistry MCQs

Contents

<i>Preface</i>	<i>vii</i>
----------------------	------------

Part I - Microbiology

1. History of Microbial World.....	3
2. Microbial Ecology and Physiology.....	22
3. Soil Microbiology.....	46
4. Environmental Microbiology and Microbiological Techniques.....	60
5. Fermentation Technology and Food Microbiology.....	74

Part II - Biochemistry

6. Water pH, and Buffer Solutions	91
7. Nucleic Acid.....	96
8. Carbohydrates	107
9. Enzymes	114
10. Miscellaneous MCQs for Self-Study	123
<i>Glossary</i>	<i>130</i>
<i>Further Readings</i>	<i>150</i>
