

Guided Endodontics: Path to Precision

Contents

<i>Preface</i>	<i>vii</i>
<i>Acknowledgement</i>	<i>ix</i>
1. Introduction	1
2. Types of Guided Endodontics	5
3. Endodontic Guide Type.....	9
4. Steps in 3D Guide Planning and Designing.....	12
5. Role of CBCT, Intra-Oral Scanning and 3-D Printing in Guided Endodontics.....	17
6. Static Guided Endodontics (SGE) for Managing Severely Calcified Canals.....	26
7. Dynamic Navigation System (DNS) in Endodontics.....	33
8. Fiber Reinforced Composite Post Removal using Guided Endodontics.....	40
9. Guided Endodontic Surgery	45
10. Present Status of Static/Template Guided Endodontics	54
11. Present Status of Dynamic Navigation.....	57
12. Future Directions of Static and Dynamic Navigation	60
